RECEIVE INSTANT DISCOUNTS ON WATER HEATERS

NOW AVAILABLE DISCOUNTS ON QUALIFYING STORAGE AND INSTANTANEOUS/TANKLESS WATER HEATERS.

Dear City of Huntington Park,

SoCalGas® is committed to helping our business customers save energy, time and money by offering a variety of energy efficiency programs and services. As a valued customer you may be eligible for an instant discount when purchasing a new high-efficiency commercial water heater. The discount amount is determined by equipment size, type and efficiency rates.

BENEFITS:

- Receive point-of-sale discounted prices on qualifying equipment
- No more rebate applications to fill out and mail
- Enjoy long-term natural gas energy savings
- Search for qualified distributors with our easy to use online distributor directory

WHAT YOU NEED TO DO:

- Pass along this information to your contractor at the time of purchase.
- Contact a participating distributor by visiting socalgas.com (search "Distributor Directory").
- Provide a participating distributor with your account number or address where installing at the time of purchase.

Through the Commercial Water Heater Distributor Rebate Program, we have partnered with local distributors that supply and sell high-efficiency water heaters. Distributors in this program provide point-of-sale discounts on qualified equipment and are required to pass along any applicable rebate savings to you, our customer.

For more information about this discount or any other incentive programs, please visit socalgas.com (search "Commercial Water Heaters") or call us free at 1-800-508-2348.

Sincerely,

Kimley Louie
program administrator
